WELCOME TO JULY 2010 Session

It is with immense pleasure we welcome you to July 2010 session. We are proud to inform you that this year DDE, MDU has been listed amongst top 20 Universities conducting Distance Education programs in India. Overall we have been ranked 16th best University in India for Distance Education programs which is much higher than many universities claiming to be market leaders.

This year Study center will not have to submit any form or ICR sheets for re-registration students. Study centers will have to deposit only the fee of Re-registering students through online panel and submit the generated Fund transfer reports to the University.

We have also re-designed and launched the new prospectus of DDE and you can collect the new four color Prospectus from the University counter from this session onwards.

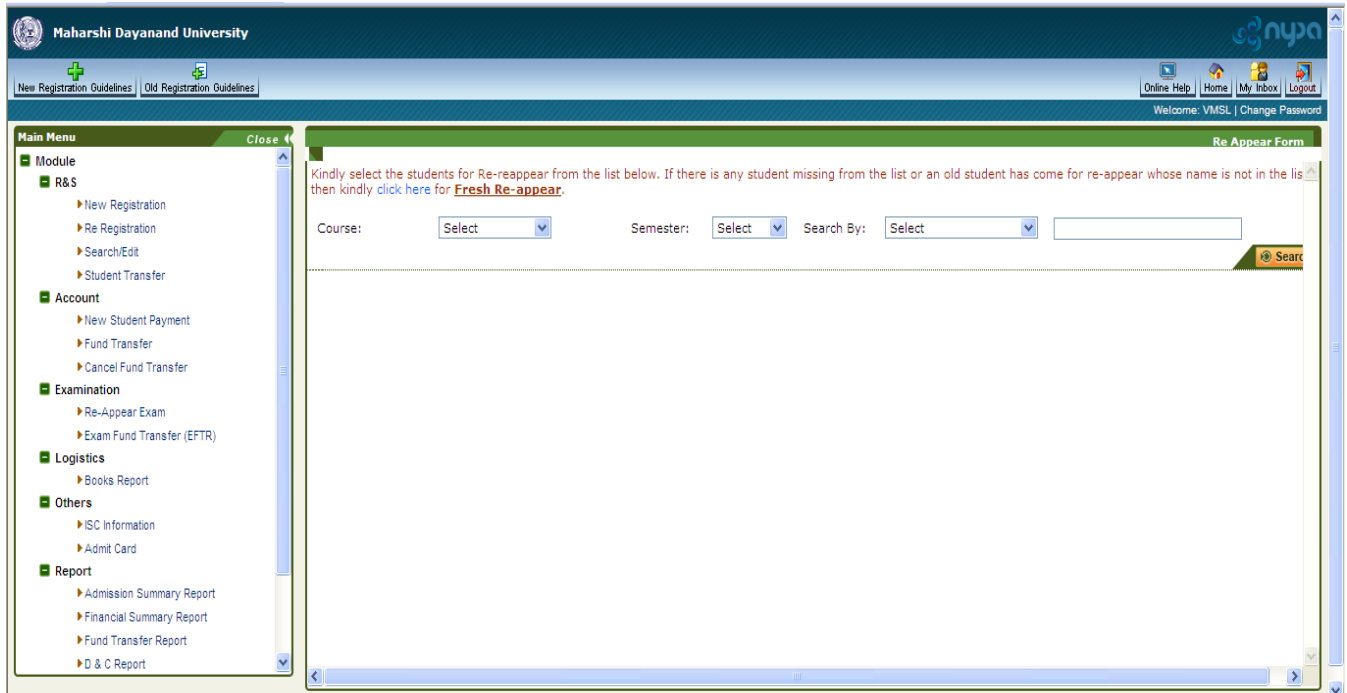

We once again welcome you to Online Admission Session of July 2010 with best wishes and support.
