Sub: Complaint against Study Centre Shiksha College of Management Centre Code-2491.

In reference to this office letter no. DDE/Co-1/12/5704 dated 12.12.12 and subsequent reminders dated 28.12.12 and 15.01.13 (Through Regd. Post) on the above noted subject. Nothing has been heard from your end. Vide the above letter/reminders under reference, you were given opportunity to offer the comments on the complaint(s) dated 11.12.12 (copy already supplied) made by certain students registered in your study centre. What to talk of offering comments by you, you did not bother to reply these communications or to meet the Director, DDE personally as requested in the letter mentioned above, which tantamount to disrespect on your part towards the University and at the same time, it shows that you have nothing to comment on the complaint of the students and accept the allegation levelled therein against your study centre.

Under the given circumstances and keeping in view your lethargic attitude, University is left with no alternative except to finalize it. Accordingly, all the re-registration done at your study centre is hereby cancelled, at your own risk and responsibility. A copy of this communication is being uploaded at University/DDE website for information to all concerned.
